Today, I'm on a flight with my esteemed senpai, Yoriko.
Sayuri.
I'm a novice cabin attendant Sayuri.
I-I'm sorry...
Being looked at is a part of our job too, you see. So please be more careful.
There's a run in your stocking.
Ah!
Fixed.
So it's fine if it's sym-metrical?

Thank you.
In the end, I couldn't really choose...
Then I'll take the hamburger.
Thank you very much.
It seems that you still haven't gotten used to this. You may choose whichever you want.

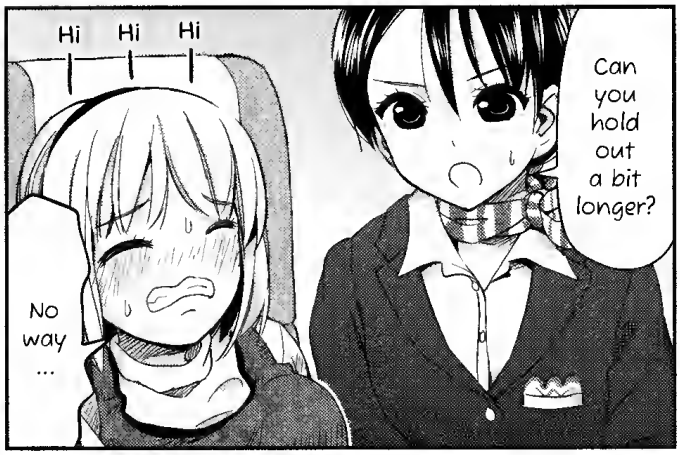
It may have to be done here on the plane it seems.



Hi Hi Hi
Can you hold out a bit longer?
No way ...

There's no way we'll need a fire extinguisher, so put it away!

I'd like to have you two give this baby a name.
Eh?!
I understand if that is what our customer wants us to do...
Please do so.
I want the ones who saved us to give the name!
There's no way we could do that!
A child who was miraculously born in a flying machine...
A name that means that would be...
Jumbo
It's a girl though...
